## **ZINC MINES IN UPPER SAUCON TOWNSHIP**

**Why this was such an important industry, when it started, and why it ended. Ken Littlefield is the consulting geologist for Upper Saucon Township, where the deep mines spread over a large area between route 309 South and the village of Friedensville.**

**Tuesday, September 27      7:00 p.m.  
Upper Milford Township Building  
5671 Chestnut St., Zionsville  
All are welcome.**
